These courses will be offered to new entrants to the security industry who are seeking a role as a Body Guard or Cash in Transit officer, as well as existing security operatives and holders of NSW Security Licence 1ACE who wish to upgrade their skills in order to be eligible to apply for Body Guarding or Cash in Transit security licences with the security industry regulator SLED. Also, this course can be also offered to individuals who have worked in law enforcement agencies such as New South Wales Police Department, EX. officers for Armed Forces.

Our course is structured to accommodate students who have completed their 1AC Security licence course, since it shares common units with the 1B/1F course. Therefore, trainees who have completed their CPP20212 Certificate II in Security Operations from a SLED-approved RTO Post May 2013 are not required to undertake the learning and assessment for prerequisite units listed below. However, if you have completed your CPP20212 Certificate II in Security Operations from a non-SLED-approved RTO or RTO outside New South Wales, you may be exempted from the learning of some units but not exempted from compulsory assessment for those units. The aforementioned information is enforced by SLED, the industry regulator for New South Wales. If you have not completed any of the pre-requisite units, they can be completed through our 1AC Security course, or we may be able to organise individual training for them - please contact our head office for further information.

If you are unsure if your certificates meet the requirements for fulfilling the pre-requisite units according to SLED, please contact us and forward us copies of your CPP20212 Certificate II in Security Operations so we can advise you prior to the course commencement.

**Enrolment requirement:**

To undertake this training, students must:

- Be a Permanent Resident or Australian Citizen or have full time working rights in Australia (student or working holiday visas are not accepted)
- Sign a Statutory Declaration regarding Criminal History [P1016 Form](#) as per SLED requirement
- Provide 100 points of ID - please refer to the downloads menu for the accepted documents
- Provide us with a USI (Unique Student Identifier) - for more information:[http://www.usi.gov.au/Students/Pages/steps-to-create-your-USI.aspx](http://www.usi.gov.au/Students/Pages/steps-to-create-your-USI.aspx)
- Meet prescribed language, literacy and numeracy requirements as per the SLED requirement*
Pre-requisites for 1B:

The following pre-requisite units must be completed prior to the 1B course commencement (which are part of the 1AC Security Licence course):

1. CPPSEC2011A Control access to and exit from premises
2. CPPSEC2003B Work effectively in the security industry
3. CPPSEC2012A Monitor and control individual and crowd behaviour
4. CPPSEC2010A Protect the safety of persons
5. CPPSEC3002A Manage conflict through negotiation

Course outcome for 1B:

The outcome of this course will be CPP30411 Certificate III in Security Operations.

Pre-requisites for 1F:

The following pre-requisite units must be completed prior to the 1F course commencement (which are part of the 1AC Security Licence course):

1. CPPSEC2003B Work effectively in the security industry
2. CPPSEC3002A Manage conflict through negotiation

Course outcome for 1F:

The outcome of this course will be CPP30411 Certificate III in Security Operations and a statement of attainment for 1 unit in CPP20212 Certificate II in Security Operations.

1B and 1F combined:

For students completing both 1B and 1F, the prerequisite units are those listed above. The outcome for students who have completed both 1B and 1F units will be: CPP30411 Certificate III in Security Operations, a statement of attainment for three units from CPP30411 Certificate III in Security Operations and a statement of attainment for two units from CPP20212 Certificate II in Security Operations.

Did you complete your CPP20212 Certificate II in Security Operations before or after May 2013?

- If you obtained the CII in Security Operations from a SLED approved RTO after May 2013 you will be entitled to Credit Transfer for the above units. Please forward us scanned copies or pictures of your certificate listing all units to accounts@alliessecurity.edu.au
- If you obtained the CII in Security Operations before May 2013, you will need to complete the compulsory assessments from the CII in Security Operations course first.

Course structure:

The timetable for the course is compliant with the minimum hours for each module as stipulated by industry regulator SLED. Learning time may vary for trainees depending on previous learning and skills and knowledge. Trainees who do not have any experience in the area of study may require additional time to absorb all the learning material and are encouraged to complete self-study outside of classroom time to ensure adequate time is utilised to absorb the classroom discussions and lectures.

Course prices:

The cost of the 10 1B/1F/1D common units is $700.

The cost of the 1B elective unit is $190.

The cost of the 1F elective unit is $290.

Therefore total prices are:

- 1B only- $890
- 1F only- $990
- 1B+1F - $1080

Please note: As we have maximum numbers of trainees for each course, there will be a re-enrolment fee if a trainee is unable to complete the course. As per Industry Regulator Guidelines, if you miss any day in a course you will be unable to complete your assessment as units are covered only once. We strongly suggest not to enrol in a course unless you have no other commitments that would interfere with your commitment to this course.

CONTACTING US. Please visit our website, www.alliessecurity.edu.au, or call us on (02) 9557 7466 to check if we have any special offers currently running. The course is GST exempt.
