

# Allies Security Services – RTO 91298

## HLTAID001 – Provide cardiopulmonary resuscitation (CPR)

This unit of competency describes the skills and knowledge required to perform Cardiopulmonary Resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) guidelines.

Our training program content is in accordance with Australian Resuscitation Council Guidelines. The training program is designed to increase the participation of the trainee by minimising technical jargon and using real life scenarios based on home or workplace activities. Our trainers are professional and experienced in the vocational education and training sector, as well as having technical knowledge and skills in First Aid Training.

On successful completion of this course the participant will receive a statement of attainment which is valid for 12 months. As per the ARC Guidelines, CPR certification is only valid for 12 months, and therefore must be updated every year.

All trainees are required to meet Language, Literacy and Numeracy standards.

There are no other requirements other than the ability to understand instructions and to be physically able to perform CPR as per ARC guidelines on manikins on the floor.

Trainees are required to complete face to face (4 hours) training.

### **Fees and Charges:**

The course fee is \$50 before course commencement or \$60 on the day. This also includes all learning and assessment material.

Our Student Handbook details our policies and procedures relating to students, including our refund policy, complaints and appeals procedures, our access and equity policy, issuance of qualifications and statements of attainment, and information regarding our facilities.
